Let us introduce ourselves!

Andeks Ltd. started operations way back in 1995. Through out all these years, we successfully handled difficult groups, coming from various sectors, banks, multinational corporations, various reunions etc.

Whatever the mission, we always stood up to the challenge. Recently we also invested in our own new coach company thus providing customers with an even better quality service.

We look forward to do business with you, should you have any requests be it: accommodation, transport, ground excursions and whatever your size your group, being conference, incentive or leisure business, in Malta, Romania or Moldova.
